Psi Epsilon chapter of Zeta Psi Fraternity  
Travis Cramer

Dear Travis,

I am pleased to inform you that the Psi Epsilon chapter of Zeta Psi fraternity has met all the requirements of the Dartmouth College Greek Letter Organizations and Societies office to be a fully recognized fraternity at Dartmouth College. Congratulations!

You and all the members of the organization are to be congratulated for the hard work that you put into this effort. In two years the organization has grown to one with 68 members. The ability to recruit and sustain a healthy-sized membership is critical to the success of any organization. More importantly your membership has demonstrated the importance, role and impact that a vibrant men's organization has on a college campus. Through your philanthropy and the active engagement of the members in all aspects of student life your membership has truly embraced the six guiding principles of Greek letter organizations, as well as the missions and values of your organization.

On a personal note, my words do not adequately express how proud I am of the accomplishments of the Psi Epsilon chapter at Dartmouth College and of the individual men who comprise the organization. The chapter has accomplished a great deal in a short period of time and I can only begin to imagine the wonderful accomplishments that lie ahead.

Congratulations to all members of the Chapter.

Fraternally,

Wes Schaub  
Director, Greek Letter Organizations & Societies
